POST INSULATORS * BUSHING INSULATORS * INSULATION PRODUCTS * SERVICES

Busbar clamp type NO4-60

Version 01

Version 02

1. Clamp material:
Technyl GF25 FR960
2. Parameters according to PN-E- 91063-3:1999
3. Tested according to PN-E- 91063-3:1999
4. Indoor busbar clamp

Rated insulation voltage	24 kV
Bending strength Po	4 kN
Weight	2x0,06 kg

1. Clamps are destined to mount busbars on post insulators.
2. Max rail dimensions: 15 mm height, 60 mm width.
3. Complete clamp contains two plastic parts,
two M10 screws and one M12 screw DIN 7991.
4. Screws are not included in the package.
